ANNOUNCEMENTS

The Chairman suggested the Committee might wish to consider selection of another day for regular GMAIC meetings since the USIB had changed the day of their regular meetings. After some discussion, it was decided that Members would consider another day, possibly Thursday, and that the matter would be reconsidered at a subsequent meeting. In the meantime Tuesday will remain the regular GMAIC meeting day.

ITEMS OF INTEREST

The Committee considered its role in the positioning of collection assets in the South Atlantic. It was decided that GMAIC should determine the priority of the data required rather than the specific location of collection platforms.

ITEM 1

Terminology Working Group Report

25X1A

[REDACTED] Chairman of the Terminology Working Group briefed the Committee regarding the findings of his Working Group. (Ref :SS# 111591 dated 29 November 1961). It was agreed that the TWG would meet again as soon as additional data and/or analysis became available.

ITEM 2

Second Generation Paper (Ref : SS# 112032 dated 5 December 1961)

The Committee reviewed referenced CIA draft report and after discussion the first five paragraphs were approved. These paragraphs were reproduced and disseminated at a TS classification (TSC# 180960 dated 26 December 1961). The remainder of the paper will be considered by GMAIC at a subsequent meeting.

ITEM 3

Coordination of DIA Bulletin Missile Items

At the suggestion of the DIA GMAIC representative the Committee agreed that prior to publication of possibly controversial or unique missile intelligence items in the DIB, the item would be coordinated with Chairman, GMAIC who could then by appropriate means secure GMAIC agreement, if necessary.
